

St Clement's Church Vision Document

Vision Statement

Our desire is to spread a passion for Jesus Christ in Manchester, the UK and the world.

For the next 5 years: 2015-2020

In five years' time and by God's grace we would like to see the following:

1. For our current services to continue to be diverse and inclusive and to grow the morning service, and the evening service. And to develop a third service, potentially offsite
2. For the church to develop well structured discipleship
3. To develop existing and begin new activities to reach out to and serve the community.
4. For 60% of an average Sunday service to be involved in small groups which are located across East Manchester
5. For one person/ couple or family a year to be sent into full time ministry either in this country or overseas.

For the next 10 years: 2015-2025

In ten years' time and by God's grace we would like to see the following:

1. To plant and establish a new viable congregation somewhere else in East Manchester with a minister
2. For our morning congregation to grow and the evening congregation to grow people, whilst both maintaining their family feel.

For the next 20 years: 2015-2035

In twenty years' time and by God's grace we would like to see the following:

1. To develop a church in a difficult/un-churched area

This vision document is to be relayed to the congregation at every APCM and reviewed annually by the PCC on the first full PCC after the APCM.
